

MORNING APPEAL.

SATURDAY, OCTOBER 12

THE SHARON CASE.

There is a possibility of the case Sharon vs. Sharon, vexing the courts for some time. The San Francisco Post says Judge Shafter has denied the defendant's motion in the case to dismiss the cause, and the action will now be retired if the plaintiff should insist on it. The question will now arise, however, whether or not Mrs. Terry will be allowed to press the suit under a writ of injunction granted by the Federal Court of enjoining her from presenting any claim to her marriage with the late Senator Sharon. A prominent attorney stated to a Post reporter that it was possible that the plaintiff and her attorneys would be imprisoned for contempt of Court if they attempted to revive the divorce case in the State Courts and commence a new trial, as ordered by the Supreme Court.

Some very important and serious complications of jurisdiction will arise in this respect.

The Indians in Nevada say: "Two winters no rain, all the same one more winter no wet." With the Indian's reputation for veracity, and also as a prophet, we may hope he knows no more of what is to be than the average white man. At the same time it is growing late and the skies are like Summer. What another dry season would be to this region between the two great ranges it is hard to contemplate. Many springs that have heretofore been faithful in their flow are dry this year, and stockmen look blue. The current of the Humboldt has not this year reached within sixty miles of the sink, and that is a sample of all the other streams. The prospect is not good, but there is a chance for the weather to redeem itself during the next six months. As it is, there is a good deal of sickness because of lack of moisture and the long continued heat. People should be careful. The change from the heat of the moon to the cool of evening is very great; the dust penetrates everywhere and is not healthy. Let us hope that the Nevada Indians are as poor prophets as some nearer home.—Salt Lake Tribune

Bicycle Races.

In view of the fact that the rules of the American League of Wheelmen prohibit the acceptance of money for races won by any of its members as it would thereby make them professionals and as the American League is made up entirely of amateurs, the Carson Wheelmen must adhere to the rules of the organization and cannot accept the purses offered them by the Board of Directors.

To avoid any controversy and at the same time make it interesting for the people, the boys have turned the money back to the Directors, the same to be extended for medals to be contested for to-day.

The race will consist of quarter mile heats, best two in three. Much pleasure is manifested at the result of today, as the favorites in the pools yesterday seemed to disappoint their backers.

The 1/4 of a mile race yesterday was won by Harry Brown, time 41 seconds, Homer Thaxter second, time 41 1/4 seconds and Bob Davis third, time 41 3/4 seconds. These records could have been beaten, had the track been in condition and a better record may be expected to-day. The races will begin about 2 o'clock.

What on Earth

Is the reason people will not, cannot, or do not see any difference in cheapness trumps put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as BEGG'S BLOOD PURIFIER & BLOOD MAKER, and every bottle that does not do its work, will cost you nothing. W. H. Chedie, Druggist

A HALE OLD MAN.—Mr. James Wilson of Allens Springs, Ill., who is over sixty years of age, says: "I have in my time tried a great many medicines, some of excellent quality; but never before did I find any that would so completely do all that is claimed for it as Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is truly a wonderful medicine." For sale by Geo. C. Thaxter.
